

09 Non Reimbursable Exceptions Policy

India-focused synthetic enterprise reference policy | Version 1.0 | Effective 01 January 2026

PROVENANCE: This is a synthetic reference implementation created for RAG development. It is not an actual company policy. Production use requires replacement with the adopting company's approved policy, limits, grades and approval matrix.

1. Scope, Purpose & Definitions

Purpose

This policy establishes a controlled framework for authorizing, booking, paying, documenting and reimbursing business travel and related expenses in India and for international business trips originating in India.

Business travel must be necessary, reasonable, economical and connected to an approved business purpose. Limits are ceilings, not spending targets.

Where this policy refers to an approved channel, supplier, rate card, employee grade or approval authority, the production organization must populate those values from its current controlled source.

Definitions

Business trip means approved travel away from the employee's normal work location for company business. Domestic travel means travel within India; international travel means travel crossing an international border.

Per diem means a fixed daily allowance where the applicable rate card permits fixed-rate reimbursement instead of actual documented meals.

Personal expense means a cost primarily for personal convenience, leisure or private travel and is not reimbursable unless expressly allowed.

Core controls

Employees must not split, duplicate or deliberately misclassify expenses to avoid a limit or approval requirement.

An approved expense must still satisfy the applicable policy rule. Manager approval does not convert a prohibited expense into an eligible expense.

Questions requiring live information such as airline schedules, current exchange rates or current tax law should be answered using the relevant live system rather than a static policy.

12. Non-Reimbursable Expenses

Examples

Personal shopping, minibar, movies, spa, leisure activities, personal travel, traffic fines, family travel, ordinary commuting, personal insurance and personal upgrades are not reimbursable.

Luxury services selected solely for personal convenience are not reimbursable.

Duplicate claims, altered receipts, fictitious expenses and deliberate misclassification are prohibited.

Edge cases

Lost baggage purchases may be reimbursable only where necessary for business and after considering airline compensation or insurance.

Personal credit-card annual fees are not reimbursable unless the card was issued specifically for company business.

Reasonable ATM or exchange fees directly caused by approved business travel may be reimbursable.
