

Local Transportation Policy

Policy ID: TRN-004 | Version: 1.0 | Effective date: 1 January 2026

Document status: Detailed fictional enterprise reference policy for RAG development and testing.

Important: This document is a reference policy, not an actual policy issued by a specific company. Replace rates, approval authorities, tax treatment and local requirements with your organization's approved rules before production use.

Purpose

Governs taxis, ride-sharing, public transport, rental cars, parking, tolls and mileage.

1. Scope and Definitions

Applies to employees, contractors and other workers who incur authorized business travel expenses.

1.1 Business Travel

Business travel means travel away from an employee's normal work location for an approved business purpose.

1.2 Policy Principles

- Expenses must have a legitimate business purpose.
- Employees must use reasonable and economical options.
- Expenses must be submitted accurately and on time.
- Duplicate reimbursement is prohibited.
- Falsified or altered receipts may result in disciplinary action.

2. Roles and Responsibilities

Employee

- Obtain required approval.
- Use approved suppliers where available.
- Retain receipts and supporting evidence.
- Submit complete and accurate claims.
- Repay unused advances or personal amounts.

Manager

- Confirm business purpose and necessity.
- Review reasonableness and documentation.
- Approve exceptions only within delegated authority.
- Escalate suspected fraud.

Finance

- Maintain controls and audit procedures.
- Validate claims.
- Process approved reimbursement.
- Maintain records under retention requirements.

3. Eligible Transportation

Reasonable transportation required for business is reimbursable, including taxis, ride-sharing, public transit, rental cars, parking and tolls.

4. Taxi and Ride-Sharing

- Use licensed or approved providers where practical.
- Choose standard service tiers unless a business need requires otherwise.
- Premium or luxury upgrades require approval.

- Retain receipts or electronic trip records.

5. Public Transportation

Metro, bus, tram, rail and other public transportation are reimbursable for business journeys. Select reasonable routes and retain tickets or electronic evidence where available.

6. Rental Cars

Eligibility

Use rental cars where public transport or taxi service is impractical, unsafe, inefficient or materially more expensive.

Vehicle Class

Compact or standard vehicles are the default. Larger vehicles require a business need such as equipment or multiple travelers.

Fuel

Fuel during business use is reimbursable. Personal fuel use is not.

Insurance

Use the company's approved insurance arrangement where provided and comply with local requirements.

7. Parking and Tolls

Business parking and tolls are reimbursable when directly related to an approved journey. Parking and traffic fines are not reimbursable.

8. Personal Vehicle

Where permitted, personal-vehicle use may be reimbursed at the approved mileage/kilometer rate. The rate is intended to cover specified operating costs; duplicate fuel claims are not permitted unless expressly allowed.

9. Illustrative Mileage Rates

Vehicle	Reference rate	Unit	Notes
Car	INR 12	per km	Illustrative
Motorcycle	INR 5	per km	Illustrative
Other countries	Approved local rate	mile/km	Verify current rate

10. Route Evidence

Claims should show date, origin, destination, distance where applicable, business purpose and customer/project reference. GPS or route evidence may be requested for material claims.

11. Prohibited Transportation Costs

- Traffic and parking fines.
- Personal sightseeing.

- Transportation for family members unless authorized.
- Premium upgrades for personal preference.
- Duplicate claims.

12. FAQs

Can I use Uber instead of a taxi?

Yes where ride-sharing is permitted and appropriate in the location.

Can I claim airport parking?

Yes when required for an approved business trip and otherwise eligible.

Can I claim mileage and fuel for the same personal-car trip?

Normally no when the mileage rate already covers fuel and operating costs.
